CREDIT POLICY

It is a pleasure for us to offer the convenience of credit to our customers. However, this courtesy is at our sole discretion and is generally only extended to those who pay our invoices within our stated terms.

We offer various credit options in order to accommodate most budgets and lifestyles. The following is a brief description of each:

1. **Our standard credit terms** - All invoices for Fuel are due within 10 days in order to be eligible for our prompt pay discount. Fuel invoices are due, in full, with 30 days of the invoice date.

Invoices for Service work, are due in full upon completion of service performed. Invoices for our Planned Maintenance Agreements are due within 15 days of the invoice date.

2. **“Better Way” Plan** – You can start on our budget plan in any month. The budget plan is a 12-month plan. 12 coupons are issued to you for payment. Payments are due on the first of every month. This plan is for fuel deliveries only and does not include service work. You may include your Maintenance Agreement in our Budget plan.

3. **Credit Cards** - We accept Visa, MasterCard, American Express and Discover Card. You may use them on a per invoice basis or you can authorize us to pay each invoice with the card of your choice.

4. **Pre-payment** - Once a year, normally in the May-June time frame, we may offer a pre-payment program. This program is designed so that you can "Lock in" your price for the entire heating season. You simply purchase any amount you desire at our published prepay price. If you require more heating oil than you purchased you will be invoiced at our rate at the time of delivery. If you have remaining gallons at the end of the plan, (See plan offering), you will have a dollar credit on your account for the unused gallons. This amount may be used for the following year. Gallons remaining are never carried forward to the next year. Prepaid dollars are NOT REFUNDABLE.

5. **Bank Draft** - You can have your payments automatically drafted from your bank savings or checking account. Great for Budgets!

Additional policies

Returned Checks - We charge \$50.00 for a returned check. Any discounts given at the time of payment are charged back to the account.

Finance Charges - Balances over 30 days will be assessed finance charges at the rate of 21% per year 1.75% per month. The minimum Finance Charge will be \$2.00.

Cash only rating - For any of the following reason your account with us may be given a "Cash only" rating;

- A. More than 1 returned check
- B. Failure to pay Finance or returned check charges
- C. Being on Credit Hold more than 3 times
- D. Failure to respond to our call or letters concerning your account balance
- E. Failure to make payment when promised

9. Collection of past due amounts – It is our policy to ensure that all of our accounts are within terms. Accounts that exceed our terms will be placed on credit hold. While on credit hold no further credit will be extended until payment arrangements are made or the account has been made current. Accounts that have not made acceptable payment arrangements will be placed for collection with a Magistrate. All costs for collection will be added to the customer’s account and finance charges will continue to accrue. The Finance charges are in addition to collection costs of 15% and Attorney’s fees.

Upon placement of an order for fuel or service, the customer consents to the establishment of an account by us and agrees that we have the right and authority to confess judgment against the customer for any balance due, which is not paid within 30 days of purchase made by customer. purchase invoice for such unpaid balance plus costs, accrued interest and with 15% added as a collection cost plus attorney's fees, which invoice shall constitute the instrument on which judgment will be confessed. No single exercise of the forgoing power to confess judgment, or a series of judgments, shall be deemed to exhaust this power, whether or not such exercise shall be held by any court to be valid, voidable or void; but, this power shall continue undiminished and may be exercised from time to time as often as we shall elect until such time as we shall have received payment of the full amount due hereunder.
